The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, 1-800-303-9626 (TTY: 711). Important Questions	Answers	Why This Matters:	
What is the overall <u>deductible</u> ?	\$0	See the Common Medical Events chart below for your costs for services this plan covers.	
Are there services covered before you meet your <u>deductible</u> ?	No.	You will have to meet the deductible before the plan pays for any services.	
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.	
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$0/individual	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, the overall family out-of-pocket limit must be met.	
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.	
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.metroplus.org/ member-services/provider- directories or call 1-800-303- 9626 (TTY: 711) for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services."	
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes.	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist
